- Releases aromas and flavors, enhancing enjoyment of the drink
- Promotes head retention
- Great for beer or sparkling wine
- Please wash before use

Available Now*

Note: Principe Beer Fizzazz will be in stock early September

Libbey Glassware is very pleased to introduce **fizzazz™**, providing glassware theatre by helping bartenders everywhere create a “show” for their customers. **fizzazz™** is an after-process which the inside bottom of a glass is laser etched (commonly referred to as nucleation) to accelerate the release of CO₂, enhancing carbonation and promoting head retention. Add some **fizzazz™** to your glass today!

L I B B E Y®
